

## 40/3 Cotton Longarm Thread

New from Aurifil – the perfect thread for Longarm quilting machines.

Introducing the newest member of the Aurifil family of threads, the 40 weight 3 ply threads are made specifically to handle the rigor of today's high-speed, high-tech Longarm machines.

Manufactured to Aurifil's quality standards, the new 40/3 threads have all the versatility and lustrous color of the original 40 weight threads, with the added benefit of extra strength. Don't worry, it's still virtually lint free! Because it is made specifically for Longarm machine use, the thread is offered on a 3,280-yard cone only.

Available in 50 colors, Aurifil's new 40 weight 3 ply threads are the perfect finishing touch to your customer's latest Longarm quilt project.
